The conference, *at a glance.*

The international conference for software engineers, hosted in sunny Alicante, Spain.

DATES

30 Sep - 2 Oct 2027

Since 2017, we have brought together people curious about the state of the art in software development.

On Thursday we will host 10 workshops. Friday and Saturday feature talks exploring new ideas, tools and approaches across software engineering.

COMMUNITY

600 attendees

React brought us together in 2017. Year after year, we've gathered to explore the latest advances in software development.

Previous editions have welcomed 600 attendees from more than 50 different countries. Technology brings us together, and people make the difference.

LOCATION

Alicante, Spain

Alicante is a tourist destination with one of the busiest airports in Spain.

Attendees, speakers and sponsors will be able to meet together and share a few exciting and fruitful days, while enjoying the food and warm weather of the Mediterranean coast.

Their words. *Our motivation.*

Previous years' feedback has been amazing. We won't let them down in 2027.
